# Data sheet: CN-516

Product code : CN-516
Product name : Micro Adapter Bluetooth 2.1 USB
EAN code : 8716502017669

With the Bluetooth 2.1 USB Micro Adapter you can create a wireless connection between your notebook or PC and other Bluetooth -enabled peripherals. The new Bluetooth 2.0 standard enables higher transfer speeds up to 3Mbps and makes new multi-tasking appli-cations (like sharing music/pictures and prin-ting simultaneously) possible within a wireless range of 10 me-ters.

The Bluetooth 2.1 USB Micro Adapter is backwards compatible and has a low power consumption, which makes this USB adap-ter perfectly suitable for mobile users. Due to its ultra compact format, the adapter can always stay plugged in your notebook.
